MARCH 23, 2025 + 3RD SUNDAY OF LENT

Today's readings help us reflect on God's call to us; our repentance, and, if successful, our growth. In Exodus, God calls Moses from the burning bush. God reaches out to guide and lead His people. God promises to free the Israelites from slavery in Egypt, this reminds us that God is always working to free us from our own sins and struggles.

In his letter, Paul warns against idol worship and turning away from God. He teaches us to stay faithful and avoid things that take us away from God. Jesus in Luke speaks about the need to repent. He warns that without repentance, we will perish, showing the importance of turning back to God. The parable of the fig tree highlights God's patience. He gives us time to change and grow in faith, but we must respond. We are then called to live fruitful lives, showing our faith through our actions.

We are reminded that God is with us in difficult times. Like He was with the Israelites, He supports and guides us through our challenges. Paul cautions us, through the Corinthians, about learning from the mistakes of past generations. This shows the importance of community and holding each other accountable in our faith. Thinking on these topics helps deepen our understanding of God's presence and our need for repentance. The readings guide us to live more faithfully and trust in God's promises.

God Bless,
Fr Leo
