## An Easter Meditation

adapted from Lourdes Sanctuaire

Today we celebrate the most profound event in the life of Our Lord Jesus Christ, His Resurrection from the dead. This event is the very root of our faith. It is also the event which puts Jesus Christ, a man, beyond the limitations of time and space while having a glorified human body. As we enter the mystery we are challenged to believe without seeing Him.

*Lord, may the wonderful event of Your Resurrection from the dead be more than an article of faith in my mind. Lead me to see, understand and accept the signs of the Resurrection that You place in my life. Further, lead me to experience and know You, the Light that will always banish the darkness of suffering and death.*

*Let us pray the Our Father, Hail Mary and Glory be.*
