## MAY 31, 2026 + SOLEMNITY OF THE MOST HOLY TRINITY

*On our journey through the Precepts of the Church, we've already reflected on the importance of Sunday Mass and the gift of Reconciliation. Now we turn to the Third Precept of the Church, which calls us to receive the Eucharist at least once a year, especially during the Easter season.*

**You shall humbly receive your Creator in Holy Communion at least during the Easter season. This guarantees as a minimum the reception of the Lord's Body and Blood in connection with the Paschal feasts, the origin and center of the Christian liturgy.**

The Eucharist is the "source and summit" of our Christian life. We often hear this phrase and it's easy to not let its meaning take root. To say the Eucharist is the "source and summit of Christian spirituality" means that it serves as both the origin and the ultimate goal of our faith. It is the source from which all Christian life and grace flow. Every aspect of our spiritual life draws strength from the Eucharist. Also, it is the summit—the highest point—toward which all our efforts, prayers, and actions are directed. The Eucharist is the culmination of our spiritual life.

When we receive Christ in Holy Communion, we are not only united to Him, but we grow closer to each other through this reception of His Body and Blood. We are encouraged to remain spiritually nourished by receiving the Eucharist regularly, though the Church sets a minimum requirement of once per year, annual reception is meant to insure we remain connected to the Paschal Mystery—the suffering, death, and resurrection of Jesus—and to remind us of the graces we receive through this sacred sacrament.

Despite the minimum, we are encouraged to receive the Eucharist as often as possible, provided we are in a state of grace. Remember, if we are conscious of mortal sin, we should go to confession first, as the Eucharist strengthens our soul and deepens our union with Christ.

God bless,  
Fr. Leo
