## STEWARDSHIP THOUGHT

*"The stone the builders rejected has become the corner stone..." - MATTHEW 21:42*

Jesus was the corner stone and He was rejected by the religious and political leaders of his day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be "rejected" by others in today's society. For example, saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is sign that God is alive and well!

*"La piedra que desecharon los constructores se ha convertido en la piedra angular ..." - MATEO 21:42*

Jesús era la piedra angular y fue rechazado por los líderes religiosos y políticos de su época, así como los ciudadanos de a pie. Vivir un estilo de vida mayordomía puede causar que usted sea "rechazada" por otros en la sociedad actual. Por ejemplo, decir gracias antes de una comida en un restaurante puede atraer algunas miradas extrañas de algunos. Pero para otros, es señal de que Dios está vivo y bien!

EACH OF US IS A

# MASTERPIECE

OF GOD'S CREATION.

*"Even the weakest and most vulnerable, the sick, the old, the unborn and the poor, are masterpieces of God's creation, made in his own image, destined to live forever, and deserving of the utmost reverence and respect." -Pope Francis*

When God created each of us, He did so with precision and purpose, and He looks on each of us with love that cannot be outdone in intensity or tenderness. Moreover, the Lord invites each of us to behold ourselves and each other with the same wonder and awe. No matter how the world might view us or others, let us treat each person as the masterpiece that he or she is.

October 5th is **Respect Life Sunday**. Our parish will celebrate through the month of October in our participation in the Novena for Life (copies are available in the church office and the website) starting 10/17 and Fridays thereafter, as well as praying the rosary before each 8 am and 10 am Mass. To volunteer as a rosary leader, please see the sign-up sheet in the sacristy.

# CAPITAL CAMPAIGN FAQ

*Our Faith, Our Family, Our Future*  
A CAMPAIGN FOR MCS

Our planning study raised a number of appropriate questions and concerns regarding the projects we are considering. In an effort to address these, our campaign executive team has assembled a sampling of the most frequently asked questions. We hope the answers presented within will provide clarity as we prepare to launch the **Preserve Our Past, Prepare Our Future** capital campaign. Your understanding and support is critical to the success of our campaign. Please feel free to contact me at any time regarding this effort. – Fr. Popelka

**Q: Why are we conducting a capital campaign?** A: Upon the results of the feasibility study, members of the Parish Council, Finance Council and Manhattan Catholic Schools' Council of Education made the recommendation to proceed with a capital campaign for both the church and school. Our campaign will be addressing maintenance and improvements to the interior and exterior of our school as well as interior improvements to our church. With the 100-year anniversary of our church approaching, we have a fantastic opportunity to bring the church back to its original glory through an interior restoration. As a group, we also agreed that improving the comfort and security of our school will provide the optimal learning environment necessary for our current students and faculty, as well as market the school to potential future students.

**Q: What maintenance and improvement projects are we addressing?** To help track our progress during the campaign, we have decided to tier the approved projects. Our campaign will comprise of three goals; a celebration goal, a challenge goal and a miracle goal. Our celebration goal consists of replacing the roofs on both schools, as well as a paint restoration to the interior of the church. Completing our next challenge goal will allow us to complete the first two projects, as well as make some interior upgrades to the school and church. This includes new HVAC units, new windows, lighting, and a paint and flooring refresh in the school. For the church this includes a new sound system, lighting, flooring, alter furniture and restoring the pews. Achieving our final Miracle goal will allow us to do all the above, as well as upgrade the HVAC delivery system in the church and provide new technology and security upgrades to the school.

**Q: What does painting the interior of the church include?** A: With the 100-year anniversary of the church coming up in 2020, there is a shared desire to update the church and restore the interior to its original beauty. This will include much of the original paint color scheme, stenciling, and architectural renderings that were prevalent back in the church's early days. Much of the work will have to be done by hand and will take time to complete. We will utilize a combination of parish input, old pictures of the church interior, design recommendations from the Diocesan Art and Architecture committee, as well as current designs from other local, long-established churches in the area to inspire our final product.

**Q: How soon can we start to recognize a cost savings from the HVAC delivery upgrade?** A: After some preliminary calculations, based on current expenses, we will be cost neutral in 4-5 years. This means we will save enough money in energy expenses to have the cost of the delivery upgrade paid for in about 5 years. Any savings after year 5 will be a cost benefit to us and a major reduction in our maintenance budget.

**Q: Some of the proposed projects are cosmetic. Can we utilize volunteers to satisfy these needs?** A: Yes and no. Painting and refreshing interior walls, and other minor cosmetic repairs are relatively easy and can be completed using volunteers. At this time, most of the necessary maintenance and improvement projects require a professional contractor to complete the renovations according to building codes. We are currently in the process of hiring a general contractor to assist with the completion of all our projects in a timely manner.
