ELEMENT HIGHLIGHT

This month's Element Highlight is our wonderful presider chair.

Together with the altar and ambo, the celebrant's chair is considered one of the three principal liturgical furnishings in the sanctuary of every Catholic church, and frequently, the Church's official documents give short theological explanations about the nature of each. The altar, for instance, stands as an image of Christ exercising his priestly office and gives a foretaste of the heavenly banquet table. The ambo signifies the dignity of the Word of God proclaimed and magnifies its importance. The chair, too, has its own mystagogical role to play: the cathedra, or bishop's chair, signifies the teaching, governing and sanctifying role of the bishop in his diocese as successor of the apostles.

Our chair was designed for the church during the renovation process. The two bell towers of the church are seen on the back of the chair, with the windows carved into both. In the center of the back is the Heart of Mary pierced by 7 swords. This iconic image is mimicked in the wallpaper surrounding the altar.

The chair was designed and built by Kansas Artist, Karl Freund, of Custom Furnishings in Apache, KS

Catholic Charities Campaign to Help Babies

Two of several important programs offered by Manhattan Catholic Charities provide assistance to mothers, babies and mothers-to-be through the Pregnancy Maintenance and Emergency Assistance programs. The annual Baby Bottle campaign provides supplemental funding for these programs. This year's campaign begins on Mother's Day, May 12 and ends on Father's Day, June 16. This is an opportunity to involve the entire family in placing loose change, cash or checks in the bottles to help Catholic Charities support those who need our assistance. Please take a bottle on Mother's Day weekend, place your contributions in it and return it on Father's Day weekend. Thank you for helping celebrate the gift of Family Life!
