## Prayer Intentions for July

For peace in the Middle East and for those at US - Mexico border (the immigrants, the workers and the decision-makers).

## From Father's Desk

This winter ice-storms and the spring rains continue to remind us how important water is. I remember that we were begging for rain last summer. Now we are praying for no rain. But I believe that we most of all pray for the grace to handle all weather situations creatively. Too often, this may mean praying for the grace of a generous spirit to assist those affected by the weather. Our parish has done this very well in the past. Let us pray for a good summer for all.

## Fr Kerry's "Book of the Month"

*Heartland: A Memoir of Working Hard and Being Broke in the Richest Country on Earth* by Sarah Smarsh.

The author grew up on a farm between Wichita and Kingman, Kansas. She tells the story of her hardworking grandparents and parents, but how they remained trapped in the cycle. The book really challenged some of my prejudices and deepened my respect for the white working class. Without saying more, this book has been very well reviewed by many different sources.

## *Community Chapel News*

Eucharistic Adoration has been a great blessing to many people. The following quote comes from St. Joseph's Adoration Chapel adorer, Madi Mermis, a St. Isidore's parishioner and 2018 graduate of K-State. The St. Joseph's Adoration chapel has been a home to me over the past four years. It is comforting to always have an opportunity to spend time with and grow my relationship with God. It has also been a blessing to be able to join the community of adorers involved at Seven Dolors. The St. Joseph's Adoration Chapel at 8th and Pierre is open 24/7 although the front doors are locked from 9pm – 7am. You are encouraged to visit primarily between 7am – 9pm. Eucharistic Adoration is one of the greatest devotionals for transforming your heart to be more like Jesus.

There are no more holy moments in your life, than those you spend with Jesus...Come Adore!!! Our community Adoration Chapel at 731 Pierre Street is calling you to come see!!! Three options: Sub periodically, Be a prayer partner on an hour of your choosing, or fill a vacant hour: Sunday 1 am, Monday 9 am, or Saturday 1 am and 2 am. Please call or text Linda Lake 785-341-2574 for more info.

## *Day of Reflection*

In conjunction with NFP Awareness Week the Family Life and NFP Office will host a retreat for couples struggling with infertility. The retreat will be held at St. Mary Queen of Angels Parish in Russell, Kansas on July 27, 2019 from 9 A.M to 3:30 P.M.. The retreat will include Mass and the opportunity for confession, as well as inspiring talks from a priest, a witness couple, and more. Registration will be available online at [salinadiocese.org](http://salinadiocese.org) beginning June 15. For more information, please contact the Family Life Office at 785-827-8746 or email [familylife@salinadiocese.org](mailto:familylife@salinadiocese.org).

## **MC3 Summer Events**

J. Matthew Ashley, Ph.D. is the leading presenter for the MC3 Summer Event. Matthew is an associate professor of Systematic Theology in the Department of Theology and director of its Master of Divinity Program. He has a B.S. in philosophy and physics from St. Louis University, a master's of theological studies degree from the Weston Jesuit School of Theology, and a Ph.D. in theology from the University of Chicago. Having authored or edited seven books and numerous articles, Ashley's research focuses on theology and science and on the history of Christian spirituality. His most recent book is, *Ignatius and the Theologians: Ignatian Spirituality and the Reformulation of Academic Theology*.

### **A Pope on the Margins: Pope Francis's Vision for the Church**

*Monday, July 22, at 7pm at the Manhattan Country Club*

In the first years of his pontificate Pope Francis has defied easy categorization in terms of the divisions that have plagued the Church over the past three decades. The first Pope from the global south, his pontificate marks an important turning point for the Catholic Church in more ways than one. This lecture examines Francis's pontificate by looking at how his experience as a Jesuit and as Archbishop in Argentina has shaped his vision of the Church as a principal sign and instrument of God's mercy in the world, especially "on the margins."

### **Science and Religion: Beyond the Myth of Eternal Warfare**

*Sunday, July 21, at 7pm in the Utopia Room at St. Thomas More*

Recent polls indicate that one of the principal reasons that young people in particular are leaving the church today is the belief that there is an irresolvable conflict between Catholic doctrines and science. This is despite clear statements by the magisterium—including the Second Vatican Council and every pope since St. John Paul II—that there is no conflict between science and Catholic faith, properly understood. What are the sources of this continuing myth of conflict, how is it being perpetuated in American culture, and how can a more constructive relationship between these two great sources of knowledge and wisdom be put in its place?

***As part of our commitment to the greater Manhattan area, we will be having a diaper drive as our service project at each event for those who wish to participate.***

***We will donate them to Catholic Charities, Life Choice Ministries and Shepherd's Crossing for distributions to families in crisis.***

We have awarded two \$500.00 scholarships to Elizabeth Wright and to Ashtin Trollope. Congratulation to both and thank you for your support to the Knights of Columbus. **Do you know of anyone interested in becoming a Knight?** The Knights of Columbus are Catholic gentlemen committed to the exemplification of charity, unity, fraternity, patriotism and the defense of the priesthood. The Order is consecrated to the Blessed Virgin Mary. It is unequivocal in its loyalty to the Pope, the Vicar of Christ on earth. It is firmly committed to the protection of human life, from conception to natural death and to the preservation and defense of the family. It was on these bedrock principles that the Order was founded over a century ago and remains true to them today.
