†Mother's Day: Our Catholic faith is very incarnational. God took on our flesh in Jesus. God is so much more than an idea, a fact, a dogma.

This weekend's Gospel, Jesus has a statement that many have found consoling: "Do not let your hearts be troubled. You have in God; have faith also in me." We have faith in a person and we find it so much easier to trust God when we have come to be able to trust another.

For many of us, we first learn trust from our mothers. They were there through the many trials of our childhood and young adult life. Somehow, even in the midst of trial, as they looked at us, held us, stood by us, we just knew things would be all right.

And they gave us the tools to learn to trust life on our own, so to speak. The main way my mother did this was to communicate her love of her faith and her trust in our Lord. We learned our religion that is still with us today from our mother as Dad supported her.

One of the blessings for me during this pandemic is that members of my family have viewed our Mass here at Seven Dolros. They have texted me when I mentioned my mother's faith or incidents from our childhood.

And so, thank you, dearest Mom. And thank you, dearest Mother Mary. Your "yes" made the incarnation possible. I, and all of us, are grateful to our mothers, to you Blessed Mary, and to you Mother Church this weekend. - Fr Kerry

2020 WALK FOR LIFE

Life Choice Ministries is pleased to announce they are still holding their 2020 Walk for Life! This year is will be held with or without an actual “walk” at the park.

Seven Dolors, in partnership with MCS, is asking for support. If you would like to be a member of the walking team, or if it is possible for you to donate to the cause, please visit the team’s site at www.fundeasy.com/m/4888721/

Our Catholic faith is very strong with the pro-life moments, but not well-represented locally. 100% of donations do directly to Life Choice Ministries, providing counseling to at-risk pregnancies, both mothers and fathers (particularly of college-age), pregnancy tests, vital supplies for new babies and mothers, and ministry for all persons involved. We would love to have you join us as we take part in a virtual walk on May 30th!
