JANUARY 1, 2023 SOLEMINTY OF MARY, MOTHER OF GOD

Why Do We Call Mary, the Mother of God?

There was a dispute in the early Church saying Mary was only the Mother of the human part of Jesus. By stating that Mary was the Mother of God, they were protecting Christ's hypostatic union. This Dogma protects the Truth of Who Jesus is. This is one of the reasons why we celebrate this Dogma.

“So have they dared to call the holy virgin, *mother of God*, not as though the nature of the Word or his godhead received the origin of their being from the holy virgin, but because there was born from her his holy body rationally ensouled, with which the Word was hypostatically united and is said to have been begotten in the flesh.

The Knights of Columbus are Catholic gentlemen committed to the exemplification of charity, unity, fraternity, patriotism and the defense of the priesthood. The Order is consecrated to the Blessed Virgin Mary. It is unequivocal in its loyalty to the Pope, the Vicar of Christ on earth. It is firmly committed to the protection of human life, from conception to natural death and to the preservation and defense of the family. It was on these bedrock principles that the Order was founded by Fr. Michael J. McGivney and remains true to them today.
