## MAY 5, 2024 + SIXTH SUNDAY OF EASTER

Friends,

In last week's scripture from Acts of the Apostles, we read of the growth of the early church. The closing line of the passage reads, "It was being built up and walked in the fear of the Lord, and with the consolation of the Holy Spirit it grew in numbers (Acts 9:31)."

*Fear of the Lord* and *Consolation of the Holy Spirit* are surely needed to grow a church. We as a parish are growing and are blessed. Throughout Acts and the Epistles, it is also clear the Apostles spent a fair amount of time trying to figure out how to pay the bills. Over the years, I have noticed that growing churches have expenses rising faster than income. It is normal. Expenses go up because we need to hire staff, increase class sizes, care for more people, extend our charity, and keep the lights on longer. Income tends to lag behind.

Growing churches typically grow through new young families moving in and bringing children into the church. This is the case for Seven Dolors and St. Patrick's. Yet, young families often have less disposable income. When I was an assistant professor, Mary and I had two kids and money was tight. With time, this got better, and we could more freely support the church.

This weekend, we are talking about stewardship at all our masses. You are a generous parish. Your financial support has increased in the past year. However, if in the rush of life, you have not had a chance to review your giving to the church, Fr. Gale and I ask for your consideration in increasing support as we prepare for a new pastor in July.

Be well and God Bless,  
Deacon Ed Souza
