Kitchen remodeling updates were given. All supplies need to be removed from the basement. Can not leave anything in the basement due to all the tables that need to be stored in the open space.

Discussed the FUMC tour. Those that attended the tour were impressed with that preschool.

Parish Center and Childcare Center - We discussed the RFQ's. We narrowed it down to two contractors. BHS and McCown Gordon companies. Dan will be setting up interviews with these two contractors on April 29th. Dan will provide us with standardized questions. Looking at the interviews in the Budget Shop basement.

Other discussion -

* Waterline we will use is on the Houston Street side.

*Adoration Chapel - Wanted to still keep the stained glass windows. Father indicated to start a Capital Campaign after Easter for the Adoration Chapel and elevator for the church.

*No standards will be needed from the diocese

*Discussed parallel parking

*Discussed the next tour

Father closed the meeting with a prayer.
