Approval of the April 8, 2025 confirmed. David Zecha approve 1st and Diane Noll Second

Kitchen remodeling updates were given. The project is moving along. Maria gets weekly updates on the progress. There was an odd constructional beam in question. Kevin Clark will discuss this with BHS. Also Father Leo wanted to make sure that if any of the original wood taken out, he wants to retain the wood. May look at selling these. Father Leo will discuss this with BHS.

The committee voted on BHS for the general contractor for the parish center and the child care center. It was a unanimous decision. We will start getting everything going and it should go pretty fast especially with the child care center.

Need to set up the tour for the Flint Hills Community Accelerator.

Next meeting is scheduled for June 3, 2025 at the Parish Center at 4:00.
