### **Spring Spirituality Study**

**Continues on St. Hildegard of Bingen**

**Thursday mornings at 9:00 am, through May 22nd**

The Spring Study has relocated to the Manhattan Public Library - 2nd floor small group rooms! Haven't had a chance to join us yet? Please consider dropping in for one of our remaining weeks. Each Thursday there is a discussion on a different aspect of St. Hildegard's life and the role of the Doctors of our Faith. You do not need to attend every week or have any prior reading or studying. No registration is required and all women of the parish are invited to attend, listen and learn. If you have any questions, do not hesitate to contact Maria Riley ([maria.r.riley@gmail.com](mailto:maria.r.riley@gmail.com))

## **Basement Remodeling**

A Thank-You goes out to the women who helped to sort and store and donate the many cabinets-full of cooking and serving supplies that are used in our services (receptions, coffee and donuts, funerals) before the remodeling project began. Once construction is finished, look for the opportunity to help us set-up and organize in the new area - more information will be sent out at the end of construction. It should be a beautiful space that will accommodate the changing needs of our parish.
