

OUR LADY'S CORNER

A NEWSLETTER FOR THE WOMEN OF SEVEN DOLORS

This past weekend, I was reflecting on the beauty of the streets in downtown Manhattan, particularly driving east on Bluemont Avenue as the trees envelop the street overhead showing their glorious colors of the changing seasons; God's beauty in every living thing. It can take one's breath away. You may find me in the upcoming weeks with my cup of hot tea in hand wandering the old, brick streets of our lovely little town.

Pietra Fitness

St. Thomas More Utopia Room

Tuesdays at 5:30 pm (intermediate/mat-based) | Fridays at 10:30 am (chair)

Did you know that we are blessed to have a Pietra Fitness instructor in our town? Jhoe Stonestreet offers two classes each week, open to women of all ages and abilities, in the Utopia Room at St. Thomas More.

What is Pietra Fitness?

Pietra means rock in Italian. Pietra Fitness was created to renew both soul and body by building each on a strong foundation of love and truth. The program utilizes tried-and-true physical exercises to develop core strength, providing a solid foundation for the rest of the body. To nourish the soul, the instructor incorporates Scripture and meditations consistent with the teachings of the Church that Jesus founded on the rock of St. Peter. For more information visit www.pietrafitness.com or email Jhoe at jhoe.de.mesa@gmail.com
