Ode to the Church

How much I must criticize you, my church and yet how much I love you!
How you have made me suffer much and yet owe much to you.
I should like to see you destroyed and yet I need your presence.
You have given me much scandal and yet you alone have made me understand holiness.
Never in this world have I seen anything more obscurantist, more compromised, more false,
and yet never in this world have I touched anything more pure, more generous, and more
beautiful.
Many times I have felt like slamming the door of my soul in your face—and yet how often I
have prayed that I might die in your sure arms!
No, I cannot be free of you, for I am one with you, even though not completely you.
Then, too—where would I go? To build another church?
But I cannot build another without the same defects, for they are my own defeats I bear
within me.
And again, if I build one, it will be my Church, no longer Christ's.
No, I am old enough to know that I am no better than others.
I shall not leave this Church, founded on so frail a rock, because I should be founding
another one on even frailer rock: myself.

Seven Dolors "Ministry of Care" Update

The Seven Dolors Ministry of Care through its priests and lay volunteers wishes to serve the spiritual needs of parishioners who are hospitalized, homebound, or in a care facility with Communion, Anointing, or a visit or call. Federal law now prevents hospitals and care home employees from disclosing the presence of any patient to outsiders, even Church ministers, unless the patient or their caregiver has signed a HIPPA release form.

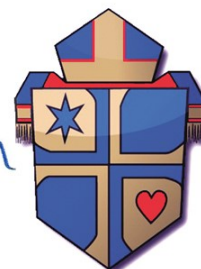

Priests and lay ministers visiting the hospital will not have a parishioner's name on the Catholic List of admissions unless the patient or their "caregiver" asks the nurse to make sure he/she are on the "Catholic List" and signs the required release. (You can also list your parish.)

By the same law, other care institutions like Via Christi Village, Meadowlark Hills, Stoneybrook and Good Shepherd Hospice cannot reveal your presence or that of a family member.

Also, once a patient leaves the hospital or care institution, they cannot tell us where they have gone! As a result we sometimes do not find out about a parishioner being in one of these care facilities or an out of town hospital for weeks!

A family member, relative, or friend must let us know about the change! If you know about an ill or hospitalized parishioner that we may not have, please call the Parish Office: 785-565-5000, and Margie will pass it on to the appropriate priest!
